Level	3	4	5
English	21%	50%	35%
Mathematics	17%	38%	46%
Science	0%	47%	53%

Our pupils have once again achieved a very good set of results. All of our children have achieved well beyond expectations and a very large proportion achieved level five, which means they are working at the average level of a 12 or 13 year old. Once again, this is a real credit to all the hard work and endeavour that has been put in over the years by the children and the whole team of teachers and teaching assistants throughout the school.

Andrew Holmes  
Head of Junior School
